Dear Ms. Shanks:

**Re: Power Purchase Agreement between YEC and Minto Exploration Ltd.**

Yukon Electrical is in receipt of the Board's letter of December 27, 2006 that solicits submissions in relation to new Power Purchase Agreement information and its impact on the proposed Carmacks-Stewart transmission line in the Resource Plan. While Yukon Electrical continues to choose not to participate in the Resource Plan for reasons previously stated, we look forward to participating in the Board's regulatory process that will deal with Yukon Energy's upcoming application to have various new rates approved.

Yours truly,  
THE YUKON ELECTRICAL COMPANY LIMITED  
An *ATCO* Company
