Re: YEC / Minto Power Purchase Agreement – Board Order 2007-03

Dear Ms. Lemke:

We are in receipt of Board Order 2007-03 and would like to clarify what may be a misunderstanding with respect to our submissions.

It appears from the Board's reasons for its decision that it understood the UCG to be questioning whether there were in fact Confidentiality Agreements in place between YEC and others. We would like to assure the Board that the UCG did not intend to question whether such agreements existed; the UCG was only concerned that because the agreements were not filed, the precise obligations were not clear.

We apologize for any misunderstanding.

Yours very truly,
