Re: Request for Observer Status  
Public Hearing: YECL 2008 and 2008 Revenue Requirements

Dear Ms. Lemke,

I am writing to request observer status at the June 12, 2008 Pre-Hearing Conference and the October 7, 2008 Hearing regarding the revenue requirements application recently filed by the Yukon Electrical Company Limited. To be clear, I do not wish to register as an intervener but would like to attend and observe the proceedings as an interested member of the public. I would also like to receive electronic copies of all relevant documentation by email (paul@vectorresearch.ca).

Should you require any additional information, please do not hesitate to contact me by telephone (867.668.3164) or by email (paul@vectorresearch.ca). Many thanks for your assistance.

Sincerely,

Paul Kishchuk, MA
