Dear Ms. Lemke:

Re: Yukon Electrical Company Limited (YECL) General Rate Application (GRA)

Further to the Yukon Utilities Board Order 2008-4 I wish to be registered as an Intervenor in the YECL GRA and plan to participate in the Pre-Hearing Conference scheduled for June 12.

My interests are in rates, rate design issues, purchase power issues, fuel price flow through issues, and perhaps other issues that come to light during the review of the GRA documents and relevant presentations and discussions.

Please let me know if you need any further information from me. Documents can be sent to me electronically at the email address indicated in my letterhead.

Regards,

John F. Maissan, P.Eng.
