Dear Ms. Shanks:

Re: YUKON ELECTRICAL COMPANY LTD. RATE APPLICATION

Thank you for your letter of May 7, 2008.

With respect to section 50 of the *Public Utilities Act*, you may consider this letter confirmation to incur the necessary expenses to hold a public hearing on the matter of YECL's rate application of March 30, 2008.

I wish you and the other Board members well in this important hearing.

Yours very truly,

Marian C. Horne
Minister of Justice
