Subject: YECL GRA -- Intervenor contact information and document filing

All parties:

Please find attached a table with contact information for all parties in the current YECL General Rate Application proceeding before the Board. When sending the Board or another party any correspondence or submissions pertaining to this matter, please ensure that all parties are copied.

The following Exhibit letters have been assigned to each participant grouping:

"A" for Board and Board staff

"B" for the Applicant (YECL)

"C" for Intervenors, numbered sequentially
"D" for Observers
"E" for Letters of Comment

Each Exhibit in this proceeding will be marked with a letter-number combination to identify the participant grouping and the sequential number of the Exhibit. For example, Yell's Application will be marked as "A-1".

In addition, each Intervenor has been assigned an identification number as follows:

C1: YEC
C2: City of Whitehorse
C3: UCG
C4: YCS
C5: Dept. of EMR, GY

C6: John Maissan

So, YEC's letter to the Board requesting Intervenor status will be marked "C1-1". All other correspondence and submissions will be marked accordingly. If you have any questions, please contact me.
