Re: Utilities Consumers' Group Application for Board Order

The Board is in receipt of Utilities Consumers' Group's (UCG) application, dated August 26, 2008, for an Order pursuant to Section 13.(3) of the Board's Rules of Practice:

"Where the party requesting the information is unsatisfied with the response or with the reasons for a response not being provided, that party may apply to the Board for an order settling the response."

UCG states it is unsatisfied with the IR responses and reasons provided by YECL in the current proceeding before the Board.

The Board will receive submissions from Intervenors on UCG's application by the close of business, Thursday, August 28, 2008. The Board will receive a reply from YECL to Intervenors' submissions by the close of business, Tuesday, September 2, 2008.
