Dear Ms. Shanks:

Re: YECL Phase I - Board Memo To All Parties circulated September 11, 2008
YECL Proposal Re Larry Kennedy/Depreciation

The City of Whitehorse is replying to the above referenced memo and in particular to the proposal made by YECL with respect to Mr. Kennedy. Early in this process the City communicated with Yukon Energy in an effort to avoid unnecessary duplication of effort. As a result, the City agreed to defer to Yukon Energy with respect to depreciation matters. Consequently, although the City does not intend to cross-examine Mr. Kennedy, the City would defer to and support Yukon Energy's position on this matter.

Yours truly,

BROWNLEE LLP
