Attention: Ms. Wendy Shanks, Board Chair

Dear Ms. Shanks:

RE: YECL 2008-2009 General Rate Application

The City of Whitehorse is in receipt of Board Order 2008-14 received by email on September 28, 2008. While the City takes no issue with the directions provided in the Order, it does wish to point out that paragraph "11" in the preamble to the Order is inaccurate. The City did not request that the UCG evidence be struck. Rather, in a letter dated September 9, 2008 the City took the position that it would be appropriate for the Yukon Utilities Board to suspend the September 10, 2008 deadline for parties to file information requests on the UCG evidence until the Board had dealt with the YECL application (filed September 8, 2008) to have the UCG material struck from the record. In the result, the Board ruled that the YECL application was premature and that parties should proceed with information requests on September 10, 2008, as scheduled.

While the City recognizes that this point in no way affects the substance of Order 2008-14, it simply wishes to set the record straight.

We trust the Board will find this to be helpful and appropriate.

Yours truly,

BROWNLEE LLP
