Dear Mr. Laking:

**Re: Yukon Energy Corporation General Rate Application 2017-18  
Round 2 Interrogatory Responses**

---

On January 31 2018, the Yukon Utilities Board issued order 2018-02 wherein an amended schedule for completion of the review of the above referenced GRA was included. As part of this amendment, the Board identified a second round of interrogatories to address new information filed by YEC in response to Board direction in December 2017 (referred to as ERA Part 2 filing).

Yukon Energy provides with this correspondence its response to information requests received from the Yukon Utilities Board (YUB); Utilities Consumers Group (UCG) Atco Electric Yukon (AEY), City of Whitehorse (COW) and John Maissan (JM).

Please note that the following filings will be made on Monday April 9 2018:

- Consolidated electronic copy of interrogatories, including hyperlinks;
- Electronic copies of excel files;
- Attachment to IR YUB-YEC-2-19 - due to its size (130 Mb) a copy will be delivered to the Board via memory stick.

If you have any questions regarding the above please call.

Yours truly,
