Mr. Richard Buchan, Chair
Yukon Utilities Board
Box 31728
Whitehorse, Yukon Y1A 6L3

Dear Mr. Buchan:

Re: Yukon Utilities Board (YUB) Order 2023-01 – Compliance Filing

Please see the attached YEC's Compliance Filing in accordance with the directions set out in the Reasons for Decision in Appendix A to YUB Order 2023-01 issued on January 9, 2023.

In its Order 2023-01, the Board directed YEC to provide a compliance filing as filing for acknowledgement. However, pursuant to section 28 (2) of the *Public Utilities Act*, no public utility shall charge a new rate unless that rate is approved by the Board. Therefore, in this Compliance Filing, Yukon Energy is requesting the approval of rate rider changes.

The Compliance Filing is based on Rider J and Rider J1 implementation dates effective March 1, 2023 assuming the YUB will issue its final Order approving the rate changes before February 15, 2023. If the approval is not received by above mentioned date, the implementation date would have to be changed to April 1, 2023, or a later date, and Rider J1 should be recalculated to reflect the change in dates.

The MS word versions of Rider J and Rider J1 schedules are also attached.

Please direct any questions on this communication to the undersigned.

Yours truly,
