Dear Mr. Buchan:

Re: Yukon Energy 2021 General Rate Application – Round 2 Interrogatory Responses & Round 1 REVISED Interrogatory Responses – Consolidations

Yukon Energy has provided a physical storage device to the Yukon Utilities Board (YUB) with the following documents for posting to the YUB proceeding website for the 2021 General Rate Application proceeding:

- Consolidated Yukon Energy's Round 2 interrogatory responses (IRs); and
- Consolidated Round 1 REVISED IR responses.

Both print-ready and web-ready versions of each document are provided on the physical storage device.

Each consolidation includes hyperlinks where IR responses reference other IRs within the consolidation.

Excel files referenced are attached to the PDF consolidation, but are also provided as separate files. To view the excel files and any PDF attachments attached to the pdf IR consolidation, the consolidation must be opened in Adobe (excel file attachments are not visible when the pdf file is opened in Microsoft Edge).

If you have any questions regarding the above, please call.

Yours truly,

Ed Mollard
