Subject: RE: Board Order 2020-04 re YEC GRA proceeding

Dear Ms. Lemke,

Please consider this email my request to be registered as a "Presenter" in Yukon Energy's 2021 General Rate Application proceeding in accordance with Clause 25(1) of the Yukon Utilities Board Rules of Practice . I would like to be added to the proceeding distribution list and I would like to attend Yukon Energy's 2021 GRA workshop scheduled for January 8, 2021.

My presentation will be made in writing and distributed to all parties prior to the start of the hearing. I would also be prepared to make this presentation orally to the Board if it chooses to set aside a portion of the hearing for this purpose.

Respectfully submitted,

John Maissan
