**Re: Yukon Energy Corporation – YEC 2021 General Rates Application
UCG Notice of Motion**

Dear Ms. Lemke:

The Yukon Utilities Consumers' Group (UCG) hereby files the following notice of motion with reasons.

Notice of Motion: That the Yukon Utilities Board (YUB) direct the Yukon Energy Corporation to file each and every response with complete answers with no reference such as see response to other IRs or other references.

Reasons:

1. It is not difficult nor onerous for YEC to cut and paste answers from IR to IR response as they document their answers.
2. By referencing other IR responses, this places a burden on other parties to research the reply.
3. Accordingly this increases the cost of regulation.
4. As well, UCG maintains this will be easier to reference and follow during the hearing process.

If there are any questions concerning the contents of this motion, please direct all inquiries to me by email at rrondeau@northwestel.net or by phone at 633-5210.

Regards,

Roger Rondeau
