Yukon Utilities Board  
Box 31728

Dear Ms. King:

**Re: Yukon Energy 2021 General Rate Application – Interrogatory Responses**

---

Yukon Energy is writing to request an extension to the deadline for filing interrogatory responses.

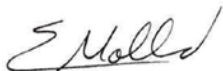

The current schedule, initially established by Board Order 2020-04 provides for Yukon Energy to file its interrogatory responses by February 18, 2021. This provided for approximately three weeks to respond to information requests.

On January 29, 2021, Yukon Energy received approximately 920 interrogatories from the Board and other intervenors. Upon review, it is clear that due to the volume of responses, the detailed nature of some of the requests and the resources available at this time, Yukon Energy will be unable to complete and deliver all responses within the timeframe provided.<sup>1</sup>

In light of this, Yukon Energy requests the period to respond to interrogatories be extended to March 4, 2021.

If you have any questions regarding the above please call.

Yours truly,

Ed Mollard  
Chief Financial Officer
