Attn: Mr. Richard Buchan, Chair

Dear Mr. Buchan,

Re: Yukon Energy Corporation 2023-2024 GRA

I am writing to request intervenor status in the above captioned proceeding before the Yukon Utilities Board. While other commitments will prevent me from fully participating in all phases of this GRA process, I will participate to the extent that I can and would consider collaborating or working with other intervenors should the opportunity arise. The issues that I would like to address include new renewable energy project development and DSM activities to manage grid peak loads.. Other matters may come to my attention in due course.

If you require additional information. please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Maissan".
