UCG NOTICE OF MOTION

February 23, 2026

As all the information required to make a decision on the above is already on record, UCG makes a motion that the Board abandon this reconsideration process.

Our reason for this motion is that this is unnecessary and will result in another costly process to be paid for by ratepayers.

If the Board decides to continue with this, UCG would like reasons why such a process is deemed necessary.

Submitted by
Roger Rondeau
on behalf of the UCG
