Given that I am also involved with the AEY proceeding, as is UCG, the schedule for reply comment on motions is potentially problematic.

12-Dec: Comments from YEC on UCG and Nathaniel Yee motions.
13-Dec: AEY Final Argument.
14-Dec: Responses or comments on YEC comments on motions.

I therefore request that the date for responses be moved from 14-Dec to 18-Dec.
