Mr. Richard Buchan, Chair  
Yukon Utilities Board  
Box 31728  
Whitehorse, Yukon Y1A 6L3

Dear Mr. Buchan:

**Re: Yukon Energy's 2023/24 GRA Requests for Further Information**

---

On December 7, 2023, UCG and Nathaniel Yee (NY) filed motions with the Yukon Utilities Board (Board or YUB) for further disclosure regarding the responses to the Information Requests on Yukon Energy Corporation's (YEC) 2023/24 GRA.

Attachment 1 provides YEC's response to the motions of UCG and NY, in accordance with the YUB's memorandum of December 8, 2023.

In further response to UCG's motion, Attachment 2 also provides a copy of the Electricity Values Survey from the 2016 Resource Plan referenced in response to UCG-YEC-1-13(b), and Attachment 3 provides MS Excel versions associated with the tables provided within the responses to UCG-YEC-1-17, UCG-YEC-1-19 and UCG-YEC-1-31. MS Excel versions of each attachment to UCG-YEC-1-6(c), UCG-YEC-1-6(e) and UCG-YEC-1-29 are also included separately.

YEC has adequately addressed the issues raised in the UCG and NY motions to the extent that they are relevant to the matters to be considered in this proceeding.

YEC's responses note that some of the additional detailed information requests in the NY motion go far beyond what YEC can reasonably be expected to provide for the current GRA, and would not be of assistance to the YUB in its review of YEC's 2023 and 2024 revenue requirements. Accordingly, it is unnecessary and would not be in the interests of regulatory efficiency to direct YEC to provide the additional information requested by NY.
