Extension to Provide Comments on YEC's Response to Requests for
Further Information**

The Board is in receipt of Nathaniel Yee's correspondence dated December 8, 2023, whereby a request has been made for an extension to provide reply to YEC comments regarding the motions for further and better information responses. The requested extension is from December 14, 2023, to December 18, 2023. Mr. Yee noted that the date for reply comments is immediately after final argument for the AEY 2023-2024 GRA is due.

The Board finds the request from Mr. Yee to be reasonable. The date for reply to comments from YEC will be December 18, 2023.
