

Undertaking # 1 at page 91 line 23-25, and page 92, line1

Referring to UCG-YEC-1-16, part (c) and/or YUB-YEC-1-46, to advise what time period the 134 comments were received.

Yukon Energy Response:

The 134 comments noted in the undertaking included comments received through email, an online form on YEC's web site, facebook, and door-knocking with residences and businesses within 800 metres of the three sites (page 6 and Section 4 of YUB-YEC-1-46(a) Attachment 1).

Engagement with members of the public and electricity interested groups began on September 3, 2020, and comments about the Project were received until October 13, 2020.
