## BOARD ORDER 2026-14

**WHEREAS:**

A. Pursuant to sections 10 and 56 of the *Public Utilities Act*, the Yukon Utilities Board (Board) may by order adopt *Rules of Practice* including a *Scale of Costs*;

B. The *Rules of Practice* of the Board including the *Scale of Costs* have not been reviewed since 2012;

C. The Board initiated a consultation on revisions to the *Rules of Practice* and *Scale of Costs* in August 2025. It circulated a document seeking comments on the *Rules of Practice* and the *Scale of Costs*, as well as comments on the proposed revisions to *Rules of Practice* and *Scale of Costs*;

D. The Board received comments from interested persons and carefully considered those comments;

E. The Board considers that the attached revised *Rules of Practice* and *Scale of Costs* ensure that proceedings before the Board are conducted in a manner that is fair and transparent while being as efficient as practicable;

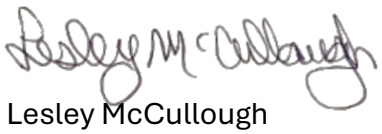

**NOW THEREFORE,** the Board orders that:

1. The attached *Rules of Practice* and the *Scale of Costs* in Appendix A to the *Rules of Practice* are adopted to govern proceedings before the Board and the costs of proceedings.

2. These Rules replace the Board's 2012 *Rules of Practice* and *Scale of Costs* for proceedings filed on or after September 8, 2026.

**DATED** at the City of Whitehorse, Yukon, this 8th day of September 2026.

BY ORDER

Lesley McCullough
Chair
