Attention: Deana Lemke, Board Secretary

Dear Ms. Lemke:

Re: Board Order 2009-01

With respect to the letter filed on behalf of the applicant requesting an extension of time for the filing of interrogatory responses, UCG does not oppose the request.

UCG would, however, like to reiterate its request that the filed responses, including attachments to filed responses, be in text searchable format, when possible.

Additionally, where the response to an interrogatory simply refers to another response given to a different interrogatory, UCG requests that the applicant hyperlink the referral response to the actual answer, so that parties can more easily navigate between the reference response and the substantive response. It is our understanding, based on previous proceedings, that the interrogatory responses will be supplied in a single pdf document (size permitting), such that internally linking responses should be achievable.

Yours very truly,

Michael Buonaguro
Counsel for UCG
