Ms. Deana Lemke,
Executive Secretary
Yukon Utilities Board

Dear Ms. Lemke,

I wish to be registered on my own behalf as an intervenor of record for the above referenced proceedings. In addition, I anticipate that I will also be appointed to act on behalf of the Hamlet of Mount Lorne Local Advisory Council.
I and the Hamlet Council are interested in all aspects of the YEC filing, particularly issues relating to; capital investments, O & M expenditures, DSM / conservation, GHG emissions, rate schedules / structure, levels of service, security and economy of supply, etc.
I plan to attend the Pre-Hearing Conference.

Regards:
Peter W. Percival, P. Eng.
Councilor,
Hamlet of Mount Lorne LAC
